*Stewards of*  
**HOPE**  
IMPACT NIGHT

One Heart Family Ministries invites you to become **Stewards of Hope** for Christian foster families across Missouri at our upcoming Impact Night.

OCTOBER 1, 2026  
CLAYTON, MO

# **One Heart Family Ministries** *recruits, assists in training, & supports* Christian families for children in Missouri State foster care.

The purpose of One Heart Family Ministries is to recruit **Christian parents for children** in need of a foster or adoptive home.

One Heart assists in providing the necessary state training to become licensed foster and adoptive parents, along with providing **a Biblical foundation** and perspective. We are *one of the only* Christian trainings offered in the Greater St. Louis metropolitan area.

One Heart also offers **a network of support** to the families after classes are completed and children join their family.

# In 2025:

**22** new foster families

**18** kids adopted

**534** blessed by our foster closet

**11** counseling scholarships

**150** school supply backpacks

**334** kids blessed for Christmas

*"This path can be lonely and scary, but **One Heart** has been there every step of the way to provide resources, training, encouragement, prayer, and a community to laugh and lament with about the ups and down of foster care and adoption. **Our family would not be the same without One Heart!**"*

*– One Heart Family*

**We need your ongoing and increased financial gifts to care for families and children impacted by Missouri State foster care.**
